Operation Christmas Cheer
Proudly Helping Union Families Since 2004

November 8, 2026

Dear Sisters and Brothers,

Your kindness, generosity and help is the reason OCC was able to deliver some cheer to families on strike last December. **It's because of You, Christmas is a bit brighter for Members walking a picket-line over the Holidays!**

It is such a privilege and heartwarming experience to be able to deliver envelopes of grocery gift cards, food hampers and toys/gifts for children to a picket-line! For a few hours during delivery, the focus shifts to laughter, hot food and coca, hugs and stories of determination, solidarity and resilience to last one day longer. Thank you for your ongoing support ❤️

Christmas is coming and we are starting to mobilize. Today there are **multiple locals and 1000+ Members on strike/lock-out**. We are working on the list are aware several unions are in a strike position. It's going to be a busy December with many families in need.

Every year OCC's mandate is the same – visit as many Ontario picket-lines as possible and deliver a little financial relief to Members collecting strike pay with grocery gift cards, food hampers, and cool gifts their kids! **Your support again this Christmas would be greatly appreciated!**

You are invited and welcome to join us on the picket-lines when we deliver! Grab a hot lunch and help us spread some grassroots Solidarity, Good Will and Holiday Cheer :-)

Without your support, OCC would not be able to do what we've done the past 22 years. Picket-line solidarity (**especially over the Holidays**) is one of the foundations of trade unionism where acts of kindness, encouragement and support give Members strength to last one day longer. Thank you for having an impact!
